ABOUT US

Flight One Aviation is an end-to-end provider of uniquely targeted aviation services in air travel and aircraft management. It is a one of a kind company based in Kenya with a modern approach to providing tailor-made solutions to your aviation needs. With the air travel and aviation industry in general being a high cost, high risk one; partnering with the right team is of utmost importance to manage your cost and to secure a safe and convenient flight service. We are an adaptive and customer-focused company with dedicated staff to respond to your aviation needs 24-7 and offer one-stop solutions to our global customers.

OUR BUSINESS

AIR CHARTER:

This Call-to-Board service gives you direct access to our networked fleet of well-maintained and safely operated aircrafts covering most of the destinations in East Africa and beyond. From tailor made solutions to our well-crafted products such executive charters, air safari packages, air experience flights, scenic flights, bush air shuttles and the all new Kenya-By Air tours we are confident to cater for all your air charter needs. The executive charter is for the time-critical business and political executives who need to get next location in the most convenient, fast or reliable way without having to fit in the rigid airline schedules.

The air safari packages, bush air shuttles and scenic flights are tailored to give a personal touch to individuals with the desire to tour or discover Kenya and beyond with an option of choosing all-inclusive add-ons like accommodation, road transfer, game drive etc.

Our seamlessly networked services give you direct access to a fleet of well-maintained and flown aircrafts which include:

CESSNA 206 (5 SEATER)

CESSNA 172 (3 SEATER)

BEECHCRAFT BARON 58 (5 SEATER TWIN)

CESSNA CARAVAN 208B (12 SEATER)

BEECHCRAFT KINGAIR 350 (9 SEATER TWIN)

PA-46 MALIBU (5 SEATER)

BELL 407 HELICOPTER (5 SEATER)

Why do you need to use us? We do not offer just any other charter; we offer a personalized service! From understanding your travel needs to your budget size; we promise to **Simplify, Excite & Enhance** your travel experience.

FBO SERVICES:

that matter.

Felix Wakibia – Head of Operations

Felix is a passionate aviator with a diverse experience in aviation operations, travel business, marketing and executives PR and planning spanning over 13 years. He has a hand of innovation having locally designed and constructed a Kenyan light aircraft that underwent flight testing several years ago .He is a university graduate with a bachelor of Arts in Geography and Sociology. He is also trained in flight operations, a holder of a private pilot license (PPL) and a qualified grounds flight instructor. His vast experience in aviation operations ensures our day to day business run smoothly and efficiently.

OUR BACKGROUND

Flight One Aviation is a Kenyan company founded in early 2015, by three individuals who wished to demystify that air travel has to be expensive .Our aim is to offer safe and reliable flights accessible to all at affordable rates. It is a dynamic rapidly growing outfit set to be a unique player in air travel and aviation industry. Our mission is to innovate and provide air travel and airport ground services in the most safe, efficient and simplified manner. We envision becoming the preferred air travel company in East Africa.

Within our first year, we are already serving several local business, leisure travelers & international tourists including Citizen TV, Education Partnerships Africa (EPA), and Nairobi University. We have also partnered with Tour operator, and Hotels including Simbas Safari Lodge & Annabelle Gardens Guest House & Jatco Cabs to provide our clients with the best and most affordable accommodation and road transfer rates.
