Dear Sir/ Madam,

I would like to introduce our company as a fast growing and reliable firm providing one-stop solutions and services in air travel business. We are a Kenyan based company with a wide networked fleet of small and medium sized aircrafts offering executive charters, air safari packages, air experience flights, scenic flights, bush air shuttles and the all new Kenya-By Air tours!

The executive charter is for the time-critical business and political executives who need to get next location in the most convenient, fast or reliable way without having to fit in the rigid airline schedules.

The air safari packages, bush air shuttles and scenic flights are tailored to give a personal touch to individuals with the desire to tour or discover Kenya and beyond with an option of choosing all-inclusive add-ons like accommodation, road transfer, game drive etc.

We have direct access to the following aircrafts to match your air charter needs;

AIRCRAFT TYPE	TYPE	NO OF AIRCRAFT	PAX
CESSNA 172	FIXED WING	1	3
CESSNA 206	FIXED WING	1	5
BEEHCRAFT 58	FIXED WING	2	5
PA-46 MALIBU	FIXED WING	1	5
CESSNA 208	FIXED WING TURBINE	2	12
BEEHCRAFT KINGAIR 350	FIXED WING TURBINE	1	9
BELL 407	HELICOPTER	1	5

We are adaptive and customer-focused company with a dedicated staff to respond to our customer needs 24-7. We believe that our customers are the most important part of our business, that's why we are working with clients as partners believing that their success means our success. In light of this we would want to partner with your re-known organization for all your air travel needs in Africa.

We look forward to a favorable response from you.
